

2021 MID-YEAR IMPACT REPORT

Erie Downtown Partnership is here to serve the Downtown Community in a big way in 2021.

We are focused on providing essential services to help build back business and consumer density in Downtown. With tons of new programming, a full calendar of safe, engaging events, placemaking projects, and much more are on the horizon, the future of Downtown Erie is brighter than ever.

Here's a short summary of everything we have worked to accomplish in the past six months:
